ADMIRAL STANSFIELD TURNER

15 February 1978

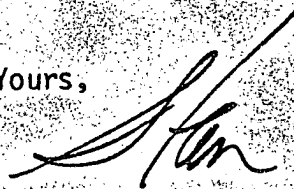

Dear Chuck,

Just wanted to let you know I was in Carmel last week and had the pleasure of paying a call on Mrs. Spruance. She really continues to be one of the most remarkable women I have ever known. She looks grand and is in fine spirits and good health. We visited her at the Carmel Manor Home where she lives. It's a delightful spot where she has her own little apartment complex on the ground floor with a terrace overlooking a lawn on which we saw at least two dozen quail! She seemed particularly happy there, especially since Margaret, Jr., is in the area during the winter seasons now.

I appreciate your letting me know that she had moved from her house and thus we were able to get in touch with her. Thought you'd like to know that she continues in fine form and spirits. She was pleased to hear that I had seen you and we had spoken of her. She certainly responds warmly when she hears mention of you.

All the best.

Yours,

STANSFIELD TURNER
